I'll be visiting the Cove area again the week of 8/4, and will be tagging along with Randy's work at Haystack the week of 8/11. Will you be working with Randy on the 100% scans?

Thanks,

Hi again everyone,

Just wanted to thank you for taking the time to meet with me a few weeks back. It was nice getting the chance to check in with you all. My wife Kirsten enjoyed meeting you all as well.

Sararesa, we'll have to schedule our travel better next time to make sure you're there. You still owe me half a burrito and a drink, so start saving up.

Thanks,

Wilson Yee

Subject: Visiting next week

Hi there,

Just wanted you to know that I'm visiting the offices next week to meet with Freida on next year's grants. If you're around on Thursday or Friday, let me know if you have time to chat for a minute or have coffee.

Have a great weekend!

Thanks,

Wilson Yee
